**Subject:** RE: Quincy sample

I tried to assign this sample to Peter this morning, but he is not accepting it at this time.

Let's have Peter do it start to finish and Della do the technical review. This must be their top priority.

OK, Peter did the GC/MS originally, I'll have to think about who would be the best to be the primary chemist this time around. Or should Peter take it start to finish?

Quincy Police will be resubmitting samples on Monday. This is of Annie's that should be assigned to someone else and expedited (really fast) for trial on 2/22/12. Commonwealth v [REDACTED]
